Boston, MA ([PRWEB](#)) July 01, 2015 -- Last minute travel to Boston has never been more rewarding. With very little planning, families can save big when they book just seven days in advance with The Inn at Longwood Medical, offering [20% off their best available rate](#), free dining for kids and reduced overnight parking. Guests also have access to room service, free Wi-Fi and discounted fitness center passes with their stay.

During summer months, Boston is teeming with a wide range of family-friendly activities. The Inn at Longwood Medical is just a walk away from Fenway Park, home of the Red Sox, where families can [take a tour](#) and enjoy special experiences like batting practice excursions and birthday group tours.

HarborFest is also a beloved Boston event – a weeklong celebration that showcases the colonial and maritime heritage of the cradle of the American Revolution, running July 1 through July 5.

Summer in Boston also means a range of educational and interactive experiences for kids. The Boston Children's Museum is open late on Tuesdays during the summer and the Museum of Science is only a short distance from The Inn, where children can visit the new "Science behind Pixar," holding more than 40 interactive exhibit elements. Kids can participate in fun, engaging hands-on activities, listen to firsthand accounts from members of the studios' production teams, and even come face-to-face with recreations of favorite Pixar film characters, including Buzz Lightyear, Dory, Mike and Sulley, Edna Mode, and WALL•E.
